WHY YOUR AMUSEMENT OR WILDLIFE PARK BENEFITS IN PARTICULAR:

01 A proven visitor magnet:

Dinosaur exhibitions attract attention, spark curiosity and give both current and new visitor groups an extra reason to visit the park.

02

More activity throughout the park:

The exhibition provides points of interest along the paths and in themed areas, and can help to distribute visitor flows across the site in a controlled manner.

03

An attractive reason for families to visit:

Families, grandparents and children share a special experience together – an added bonus that makes the trip even more memorable.

04

Positive word-of-mouth advertising:

The combination of attractions, educational activities and photo opportunities increases the intensity of the experience and makes a day at the park more exciting.

05

Highly recommended & shared on social media:

Spectacular images and interactive experiences provide talking points, online posts and organic reach.

06

Significant media exposure and a positive impact on image:

The exhibition promotes your theme park as an innovative, family-friendly and eye-catching destination.

MEDIA VALUE AND A POSITIVE EVENT:

01 Media value of the exhibition:

The dinosaur exhibition not only offers a fascinating on-site experience, but also provides a solid foundation for press relations, park communications and campaigns.

02

Recommendations and topics of conversation:

Impressive exhibits and exciting moments during a visit create experiences that guests love to talk about – on site, online and long after their visit.

03

Long-term awareness effect:

The combination of attractions and the quality of the experience strengthens the memory of your theme park and increases the likelihood of repeat visits.

04

A positive event:

Our exhibition is not just another item on the programme, but a genuine themed event that inspires joy, wonder and a spirit of discovery.

WHY OUR DINOSAURS ARE PERFECT FOR AMUSEMENT OR WILDLIFE PARKS:

01 Scientifically accurate:

Our models are based on the latest scientific knowledge and combine professional quality with impressive results.

02

Tried and tested & attracts large audiences:

Tested in museum settings and proven in a wide variety of applications, our exhibitions are highly popular and have a strong impact on visitors.

03

Edutainment experience:

The combination of learning and entertainment makes the exhibition equally appealing to families, groups and school collaborations.

OUR ALL-INCLUSIVE PACKAGE FOR YOU:

01 Collaborative event delivery:

Whether you're looking to buy, rent or go for a partnership model – we'll find the solution that suits your space requirements, your seasonal planning and your financial goals.

02

Tailored layout and thematic concepts:

We tailor the exhibition to your park's existing themed areas, visitor routes, elevation profiles and visitor flows.

WHERE SCIENCE MEETS ENTERTAINMENT.

Our aim is clear: We only earn money when your visitors come. That is why we develop concepts that attract attention, are thematically compelling and can be practically integrated into the park's day-to-day operations.

04

For all age groups:

Children, teenagers and adults can all experience a fascinating prehistoric world together, which invites them to look, marvel and discover.

05

Emotional experience factor:

Realistic life-size models, striking sightlines and impressive photo spots create moments that will stay with you.

03

Professional installation:

Our experienced team ensures safe, smooth assembly and installation in line with the park's requirements.

04

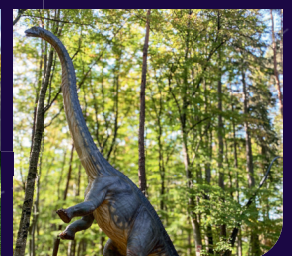

Accompanying support:

From the planning stage right through to day-to-day operations, we are here to support you with personalised assistance and short lines of communication.

05

Flexible scheduling options:

Ideal for seasonal highlights, holiday programmes, themed weeks, Halloween or summer events, and as a major additional attraction within existing themed areas.
